

Dr. Mirza S. Baig has received the prestigious TÜBİTAK International Fellowship Award. Mirza is being invited for research and further collaboration at the Middle East Technical University, Ankara, Turkey.

TÜBİTAK International Fellowship Award

The Scientific and Technological Research Council of Turkey (TÜBİTAK) is the leading agency for management, funding, and conduct of research in Turkey. The Council is an autonomous institution and is governed by a Scientific Board whose members are selected from prominent scholars from universities, industry and research institutions around the world.

The TÜBİTAK has awarded the prestigious Tubitak International Fellowship to Dr. Mirza S. Baig for his research project on Innate Immunity and Inflammation. He will receive full financial support for his research and a collaborative visit to Turkey. The successful completion of this project will lead to an understanding of the underlying cellular mechanisms in chronic inflammation. The the tübitak grant will help Dr. Mirza S. Baig to develop the research strengths of his research group through training and collaboration at the Middle East Technical University, Ankara, Turkey.
