

WILEY RESEARCHER CONNECT

a step ahead from just publishing

Indian Institute of Technology Indore and Wiley are pleased to invite you to attend a **Researcher Connect** program – *a step ahead from just publishing*, on **October 26, 2015 at IIT Indore, Simrol Campus from 2.00 PM - 5.00 PM.**

This workshop with Dr. Eva Wille and Dr. Peter Goelitz (together more than 60 years of publishing experience) will help participants to gain a better understanding of global scientific publishing. Participants will leave this seminar with an in-depth knowledge of how to meet editors' expectations, how to pitch and position their papers and identify publications best suited to meet their needs.

Dr. Eva E. Wille

Vice President & Executive Director
Chemistry Wiley-VCH

Dr. Eva E. Wille is VP, Executive Director, Wiley-VCH, working globally from Weinheim, Germany. She has been working with authors, editors and societies to develop timely and internationally well reputed highest quality journals, books, portals, and more in a pioneering way for three decades. Before she joined publishing she obtained her PhD in chemistry from Ludwig-Maximilian-University Munich, worked as a lecturer and continued her research at Technical University Berlin.

Dr. Peter Goelitz

Editor-in-chief, Angewandte Chemie
Wiley-VCH

Dr. Dr. h. c. Peter Goelitz is, since 1982, the Editor-in-chief of the world-famous journal Angewandte Chemie/Angewandte Chemie International Edition. He is the founder of more than 10 other successful journals, mostly in close co-operation with Asian and European chemical societies. Peter obtained his PhD in organic chemistry from the University of Göttingen and continued his research at IBM in San José, California. He joined Wiley-VCH in 1980.
