Smart Materials 2017
Young Researchers Forum

Prof/Dr/Mr/Ms. **Pankaj Sharma**

Indian Institute of Technology Indore, India

for presenting the oral entitled
Fabrication of low resistive and stable Li-P co-doped p-type ZnO
by dual ion beam sputtering

at the "3rd International Conference on Smart Materials & Structures"
held during March 20-22, 2017 in Orlando, USA

The award has been attributed in recognition of research paper quality, novelty and significance.

Rafal Abdank-Kozubski
Jagiellonian University in Krakow, Poland
