

Indian Institute of Technology Indore
Simrol Campus: Khandwa Road, Simrol Indore 453552

Ref.: IITI/MoES

Dated: 11.04.2023

Advertisement for Field Assistant (FA) Position

Applications are invited from highly motivated candidates for one Field Assistant (FA) position in a MoES funded research project entitled, “**Understanding the long-term climate-glacier interactions on the Durung Drung Glacier using an integrated field, modelling and remote sensing approach**” at Department of Civil Engineering, IIT Indore. The major objectives of this project are to understand the temperature and precipitation distribution, mass and energy balance modelling and glacier-climate interactions of Durung Drung Glacier.

Eligibility:

Essential Qualification:

- (i) Graduate Degree in discipline.

Desirable Qualification:

Candidates having experience in basic mountaineering skills and some field exposure to glaciology are encouraged to apply.

Stipend:

A consolidated amount of 20,000/per month.

Duration:

The position is available from May to October months during 2023-2025. Initial appointment will be for six months from May to October 2023, which is extendable for summer seasons of 2024 and 2025 years based on performance.

How to Apply:

Interested candidates are requested to submit a motivation letter and a detailed CV including all academic background and work experience to Dr. Mohd. Farooq Azam, Department of Civil Engineering, IIT Indore, via e-mail: farooqazam@iiti.ac.in with subject line “**Application for Field Assistant position in MoES project**” latest by 5 PM April 20, 2023. Incomplete applications will be rejected.

Only shortlisted candidates will be called for interview. Selected candidates will be intimated by email for interview (online). No TA/DA will be paid for appearing in the interview.

Note: The Institute reserves the right to fill or not to fill the post advertised.
