Ref.: 2022-23/NS

Advertisement for JRF Position

Applications are invited from eligible candidates for the position of Junior Research Fellow (JRF) in a Department of Science and Technology (DST) sponsored project "Development of Landslide Early Warning System and Real Time Monitoring, Uttarakhand".

The project requires a multi-talented JRF who has strong expertise in geotechnical engineering and data science. Candidates with interest in data processing and machine learning applications in geotechnical engineering are highly encouraged to apply for the position. Candidates are strongly advised to visit the profile of Dr. Neelima Satyam before applying against this advertisement. The salary will be as per DST norms.

Eligibility:

Minimum Qualification:

- (i) M Tech in Geotechnical Engineering
- (ii) GATE qualified

Duration:

Initial appointment will be for one year and is extendable up to a maximum of three years, solely based on performance.

How To Apply:

Interested candidates are requested to send a detailed CV including academic background and work experience to **Dr. Neelima Satyam D.**, Discipline of Civil Engineering, IIT Indore, via e-mail: neelima.satyam@iiti.ac.in with subject line "Application for JRF position in DST funded Project" latest by 30 January 2023, Incomplete application will not be entertained.

Only shortlisted candidates will be called for interview. Selected candidates will be intimated by email.

No TA/DA will be paid for appearing in the interview.

Note: The Institute reserves the right to fill or not to fill the post advertised.
