Dated: **22 August 2024**

Advertisement for Recruitment of Project Assistant

Applications are invited from motivated and eligible candidates for a **Project Assistant** position in the research project "***Proactive and Generalized Deepfake Defense Mechanisms to Reinforce Cyberspace***" (funded by C3iHub, IHUB NTIHAC Foundation, IIT Kanpur).

This project aims to develop advanced defense mechanisms against deepfakes to enhance cybersecurity. It focuses on real-time detection and mitigation of deepfake threats across various platforms, ensuring the integrity of digital communications and protecting users from cyber threats.

Eligibility:
Four-year Bachelor's degree OR five-year integrated degree in CSE, IT, Electronics, and Electrical Engineering/ Technology and/or related fields (with first division as defined by the awarding Institute/ University).

Fellowship and Duration: The amount of the fellowship will be Rs. 20,000 + 8% HRA. The initial appointment will be for one year, which is extendable up to the duration of the project (3 years) solely based on performance.

How to Apply: Interested candidates are requested to fill up the form and submit a detailed CV at the following link https://forms.gle/ekGzi7befCxNrk76A by **10 September 2024**.

Last Date of Application: 10 September 2024
Only shortlisted candidates will be intimated by email for an interview. No TA/DA will be paid for appearing in the interview.

Address for Correspondence:
