## Field Deployment Staff at Charak Center for Digital Healthcare

The Charak Centre for Digital Healthcare at IIT Indore is seeking a dedicated and proactive Field Deployment Staff member for a project in collaboration with another premier institute. The role will be based at the partnering institute, with workspace allocated accordingly. This position is crucial for implementing and validating innovative digital healthcare solutions across primary and tertiary healthcare sectors. The ideal candidate will ensure effective deployment of these solutions in real-world settings while collecting data and feedback to support further commercialization efforts.

### **Key Responsibilities:**

#### 1. **Field Implementation:**

- Coordinate and manage the deployment of digital healthcare solutions in primary and tertiary healthcare settings.
- Work closely with healthcare providers and stakeholders to ensure smooth installation and integration of technologies.

#### 2. **Validation and Feedback:**

- Monitor the performance and effectiveness of deployed solutions in the field.
- Collect data and feedback from users and stakeholders to assess the impact and identify areas for improvement.

#### 3. **Documentation and Reporting:**

- Maintain detailed records of field activities, deployments, and feedback.
- Prepare comprehensive reports on the implementation and validation process, including successes, challenges, and recommendations.
- Present findings to the project team and contribute to strategic planning for further development and commercialization.

#### 4. **Continuous Improvement:**

- Stay updated with the latest trends and advancements in digital healthcare.
- Suggest and implement improvements to enhance the deployment process and the overall effectiveness of the solutions.

### **Essential Qualification:**

- Bachelor's/Master's with relevant experience.
- Experience in the healthcare domain or with healthcare-related projects.

### **Duration:**

- 1-year contractual, full time in nature and extendable subject to performance reviews.

**Emolument:** ₹31,000 + HRA as per DST norms and the partner institute city.

**Workplace:** Partner Institute.

### **Application Last Date:**

Rolling basis. Shortlisting will be done frequently as soon as enough applications are available.
